

Dr. John Ratey to Speak Friday

tags: [exercise](#), [John Ratey](#), [UO](#)

Don't miss this opportunity to see Dr. John Ratey, a nationally renowned faculty member in Psychiatry at Harvard Medical School and the author of "[Spark](#)" which examines the relation between exercise, nutrition, brain function, and education throughout the lifespan. Spark is fueling a movement to re-engineer school practices and medical recommendations to establish curriculum, lifestyles and corporate practices based on scientific principles. His talk will appeal to educators, parents, students, and adults of all walks of life who are interested in the positive benefits of healthy lifestyle choices.

The University of Oregon Human Health and Performance [Big Idea and Healthy Campus Initiative](#) in collaboration with Healthy in Oregon is pleased to present this presentation by Dr. John Ratey on Friday, April 15, at 7 p.m. in 150 Columbia. **ADMISSION IS FREE**
